11th January 2018

Dear Parent/Carer

We will be holding our annual Careers Evening on **Thursday 25th January 2018** from 6.00pm – 8.00pm in the School Mall for Years 8 through to 11, students and parents.

It is our aim to equip students with the skills and knowledge required to make an informed personal decision regarding career progression. The Careers Evening will give you and your child the opportunity to talk to representatives from a wide variety of local colleges, further education establishments and training providers which your child may consider accessing post 16. This year there will be over 35 different representatives present. It is an opportunity to find out about different occupations and to talk to as many people as possible about future careers. We anticipate that the evening will be well attended, so please allow at least one hour to visit the representatives.

In addition to the Careers Evening there will also be two formal presentations taking place in the Main Hall:

6:00 – 6:30 KS4 Guided Pathway Presentation (Year 8 Pupils & Parents/Carers)

7:00 – 7:30 KS4 Guided Pathway Presentation (Year 10 Pupils & Parents/Carers)

I would also like to make you aware of a useful website called The National Careers Service. The link can be found on the Academy website under the Careers section for parents and students. This contains a comprehensive guide for parents with lots of up to date information.

I hope you find this event useful. If you have any questions prior to the evening, please do not hesitate to contact me on 01724 292920.

Yours faithfully

Mr S Carter
