Dear Parent / Carer

**Year 11 Mock Examinations (08/01/18 – 19/01/18)**

As part of the ongoing preparation for the Summer GCSE Exams, the weeks commencing 08/01/2017 and 15/01/18 are an important time for all students in Year 11 as they will be sitting their Mock Examinations. I know you will want to support your son/daughter at this critical time and therefore I have provided an overview of the examination timetable overleaf to assist you with this.

For many students these assessments will be the final opportunity to experience a formal assessment before the summer. It is therefore clearly important that the examinations are approached by all students in an appropriate manner to ensure maximum benefit from the experience.

In advance we expect students to prepare fully for these examinations and we would politely request your support in assisting your son / daughter over the coming days. On the days themselves it is important that students arrive for the examination on time.

If you have any questions with regards to this please do not hesitate to contact me.

Many thanks in advance for your support.
