**March 2018**

Dear Parent / Carer

With the end of the academic year fast approaching I am sure you will appreciate the importance of the time over the Easter break for Year 10 and Year 11 students in preparation for their forthcoming examinations.

**The first external examination is taking place on Monday 14<sup>th</sup> May 2018 as shown on the examination timetable attached.**

Staff at Outwood Academy Foxhills recognise the importance of appropriate preparation for this crucial time and will be offering an additional and extensive support programme in a wide variety of subjects. This will ensure effective use of time over the break.

Overleaf is a schedule of the sessions that are taking place and with the exams approaching, we strongly recommend attendance at all possible appropriate sessions. This, alongside a personal revision programme, will maximise your son / daughter's potential in their examinations. You will also find a timetable for the Mock examinations starting on 26<sup>th</sup> March.

I hope you will encourage your child to fully exploit this opportunity.

Thank you in advance for your support.

Shane Carter  
**Assistant Principal**
