

8th July 2020

Dear Parents/Carers

Free School Meals

I write further to my letter of 25th June 2020, confirming that the Government has reviewed its position regarding free school meals supermarket vouchers for students in Year 11.

The Government has now confirmed that students in Year 11, who are eligible for free school meals, will be entitled for the COVID Summer Food Fund. This means that you will be provided with a voucher to the value of **£90** to cover the summer holiday period.

You will continue to receive your current weekly free school meals emails/vouchers, until the end of this term, in the same way as you have been doing. You should then receive an additional email/voucher separately, for the summer holiday food fund, before the end of term.

I hope this good news provides you with some comfort. Should you need any support please contact the school, using the 'Contact Us' button on the school website.

Any families needing urgent help, please contact your local authority on 01724 297217 for information about the services and support available in your area.

Yours faithfully

Darren Smith
Principal
