School Secretaries,

Thank you for your support

Thank you for supporting the Royal British Legions' (RBL) Poppy Appeal 2023, together we raised a staggering amount totalling **£59,500** which is a considerable improvement on the 2022 poppy appeal.

The schools in Scunthorpe, Messingham and Gunness/Burringham played a significant role in this year's appeal raising a combined total of **£7,155.61** a truly magnificent effort. Individual school totals are available if required, please reply to this email.

Your contribution will be greatly received by the RBL and certainly put to good use, enabling the RBL to support and assist our serving personnel both past and present. The work of the Legion is as relevant and vital today as it was in the aftermath of the First World War when the charity was founded. The time and effort your team has given to help the Poppy Appeal will help to preserve the memory of the fallen and the future of the living.

Thank you again for your efforts and kind donation.

Kind Regards

Jon Jones
