

6th January 2023

Dear Parent/Carer

We are delighted to be able to invite you to our Year 9 Guided Pathways evening and Careers Fair on Tuesday 17th January 2023. The Guided Pathways event will take place from 3:30pm; with talks in the main hall at 3:30pm and 5:30pm, where there will be a full explanation of the option choices available for your child and support in assisting you with the completion of the Google form. You will also be able to discuss any queries you may have with Academy staff.

The Careers event will also take place on the same afternoon between 3:30-5:30pm for you to come and meet some of our local, and further afield, post-16 providers. There will be a wide range of stalls from dozens of different colleges, employers and apprenticeship providers. We would love for you to come and discuss your child's future with the many experts that will be in attendance on the day. The event will be extremely useful in guiding and supporting your child in understanding what subjects they feel would benefit them as they begin to think about their future career aspirations. The event will also assist your child in making their final option subject preferences.

The evening will also be an opportunity for any parents/carers who may be considering re-training or returning to education to meet and discuss their own potential studies. Representatives of local businesses, apprenticeship providers, and further and higher education coordinators will be available throughout the event to answer any questions you may have.
