

## Message from North Lincolnshire Council

North Lincolnshire Council are aware that there are still many families who may be struggling financially and who may not be aware of the Household Support Fund. There is funding available through North Lincs Council until the end of September for any family who may be struggling.

Families can receive support for energy, food and winter coats/blankets through this fund. I would be grateful if you would share the link below with families again and advise them to apply confidentially where there may be a need.
